RICKY GARVICK/PUBLIC WORKS-STREETS

Ricky Garvick came before the Council to question whether or not there will be any street work done this year, for which the Council requested information be put together and presented at the regular meeting.

ARPA FUNDS/STANDARD ALLOWANCE

Kalee Johnson and Sarah Bladzik were present in regard to the donation by the City to the Elmore American Legion for a new stove. Discussed in particular: the Legion donated \$12,000.00 to various departments of the City in 2021; whether or not the City should keep the monies for the City's own needs such as streets and or demolition.

Much discussion was held as to the use of the remaining ARPA funds.

The Council agreed that applications be sent out to community non-profits and businesses to see if there is even a need for them to receive additional funding from the City for Covid negative impacts.

As there was no further business, Mayor Vereide adjourned the meeting.
